Wolf LittleBear Releases Art Photo Prints

STERLING HEIGHTS, MI—May 27, 2008— Local author, Wolf LittleBear, is announcing the availability of professional quality art prints for sale.

He has carefully selected 15 of his favorite poems from *Musings From a Candlelit Chamber* and an as-yet-unreleased collection of poetry and set them to the backdrop of various full-color pictures that accompany or accentuate the artistic vision of the words. Each one is printed at a very high resolution on premium glossy photo stock. These are professional-quality prints that are perfect for framing and make excellent gifts or additions to any room. These gallery-quality prints are being sold as print only for \$4.00 or \$12.00 with an 11x14 frame. These also have the option of being signed and personally dedicated. Preview versions can be viewed in the Photo Gallery set on his MySpace profile.

Also planned is a 13-month calendar to be available soon.

Wolf LittleBear is the author of *Musings From a Candlelit Chamber*, *A Wolf in the Shadows*, and *The Power of Music Therapy*. These are available for order wherever books are sold and through the lulu.com publishing website.

His current projects include a second poetry anthology, a political satire, and a love story. This historical fiction centers on two young lovers set against the backdrop of 1940s Detroit and the effects WWII would have on their lives. Wolf is taking great care with the historical accuracy of Detroit as it was in 1941.
