**Deep Forest Productions Releases New Book by Wolf LittleBear**

**STERLING HEIGHTS, MI—September 22, 2008—** Local author, Wolf LittleBear, announces the release of his latest publication, *P.R.I.S.M. A Ghost Hunter's Handbook*. Wolf LittleBear is a lead investigator and archive manager for Detroit-based ghost hunting group Paranormal Research and Investigations in Southeastern Michigan (P.R.I.S.M.). The non-profit organization's co-founder and CEO Jesse Perkins, of Troy, Michigan, collaborated with Wolf LittleBear on the creation of a straightforward manual and field guide for the activity popularly known as ghost hunting. This is Wolf LittleBear's fourth title.

In recent years the practice of ghost hunting has increased in popularity due to various reality television shows, prompting interest in all levels of groups from teenagers just looking for a good time and a cheap thrill to serious scientific inquiries and experimentation. This comprehensive reference book separates the fact from the fiction with regards to the do's and don'ts of a proper and professional investigation. It provides step-by-step instructions for investigating reports of the paranormal and includes all the various terms, theories, phenomena, tools, and technology in an unbiased manner. Also included are local legends of the Detroit area, such as the ghosts of Belle Isle, and a casebook of the group's previous investigations. P.R.I.S.M. conducted an investigation of a house in Mount Clemens, Michigan, in April of 2008 which was filmed by Detroit-area filmmaker Tracy Wayne Surgence. This case is discussed in detail and the investigation is being made into regular "webisodes" on popular websites such as YouTube and MySpace TV.

The official book-signing and release party for *P.R.I.S.M. A Ghost Hunter's Handbook* will take place at Mystic Mountain bookstore in Royal Oak, Michigan on Saturday, October 25, 2008. The event runs from 6 pm until 9 pm. Wolf LittleBear and Jesse Perkins will be on hand to greet readers, sign copies, and answer questions. Future appearances also include the fifth annual Motor City Art Expo, held at the Emerald Theater in Mount Clemens, Michigan, and as guests on the Magic Taboo podcast.

Through his label, Deep Forest Productions, and in partnership with Lulu.com, Wolf LittleBear previously released three titles in 2007: *Musings From a Candlelit Chamber*, *A Wolf in the Shadows*, and *The Power of Music Therapy*. Also currently available are 15 art gallery prints featuring poetic works from a forthcoming book/DVD project. He has been twice published in *Mused*, a literary review magazine. Wolf LittleBear is also a member of the Motown Writer's Network (MWN). Motown Writers Network, lead by accomplished Detroit author Sylvia Hubbard, was created in 2000 to educate, network, and market writers on and off the Internet.
